

Animal SERVICES

CAN YOU PROVIDE A WORK PLACEMENT EXPERIENCE FOR STUDENTS IN YEAR 11 & 12 TO HELP THEM COMPLETE THEIR HSC?

Students are completing a Certificate II in Animal Studies and need real-world experience in the following:

- Provide care to a range of animals
- Monitor & maintain animal health
- Assist with maintenance of animal facilities
- Practice hygiene & infection control
- Wash & clean various animals & enclosures
- Preparation of food & feeding animals

Students are committed to 35 hours over one full-time week and when they undertake their placement with your company is completely up to YOU!

There's no charge to host a student and they are covered by all relevant insurances.
