

Construction

CAN YOU PROVIDE A WORK PLACEMENT EXPERIENCE FOR STUDENTS IN YEAR 11 & 12 TO HELP THEM COMPLETE THEIR HSC?

Students are completing a Certificate II in Construction and need real-world experience in the following:

- Using small plant equipment & static machines
- Excavating & spreading materials manually
- Using hand & selected power tools
- Assisting tradesmen in various tasks
- Performing basic carpentry, demolition, steel work & painting duties
- Handling construction materials & safe disposal of waste

Students are committed to 35 hours over one full-time week and when they undertake their placement with your company is completely up to YOU!

There's no charge to host a student and they are covered by all relevant insurances.
