

Plumbing

CAN YOU PROVIDE A WORK PLACEMENT EXPERIENCE FOR STUDENTS IN YEAR 11 & 12 TO HELP THEM COMPLETE THEIR HSC?

Students are completing a Certificate II in Plumbing and need real-world experience in the following:

- Read plans & calculate plumbing quantities
- Handling & storing of plumbing materials
- Locating & clearing blockages
- Use various hand & power tools
- General cleaning duties
- Assisting with various plumbing installations

Students are committed to 35 hours over one full-time week and when they undertake their placement with your company is completely up to YOU!

There's no charge to host a student and they are covered by all relevant insurances.
